respectively It is necessary that in the case of the octroi Deptt, the pay of the staff should be adequate to keep them covered above temptation as otherwise it may lead to leakage & illegal gratification in the case of bill collectors a grade pay should be adopted as in the case of the peons in the Municipality. The pay of these posts may be fixed as follows

octroi Munshi Rs 20-1-30
Bill collector Rs 25-1-35

45) Similarly in the case of Driver & Cleaner a graded scale of pay may be adopted

The above proposals are intended to introduce uniformity & also to avoid discontent in the ranks of staff

46) Hansur is a malaria area & at present it is very difficult to get labour It is very necessary that in the case of sweepers & scavengers the scale of pay adopted in the Deputy Director of Health services as fixed by the general order of Govt may be fixed to avoid undue labour The financial condition is such that it can afford to bear the

Sir,

With reference to the Correspondence ending with your letter NO H C 39/47-48 dt 19-8-48 re the revision of the scales of Pay of the employees of the mcp, I am directed to state that, in spite of the proposals having been returned thrice for necessary Correction, the mel cl has not sent up complete and satisfactory proposals. The following are the important discrepancies between the proposals now made by the Mcl and the scales of Pay fixed in the General orders of Govt -

	Pay fixed in the Gl orders of Govt	Proposed by the mcl
Office Peon	Rs 14-1/2-18	Rs 15-1/2-17
Sweepers	14-1/2-18	18 sweepers on Rs 12 each fixed 8 " on Rs 10 each fixed

In the case of Octroi Manegar and the Bill Collectors, the pay fixed is Rs 20 & Rs 25 respectively. It is necessary that in the case of the Octroi Deptt, the Pay should be adequate to keep the officials concerned above temptation as otherwise it would lead to leakage of revenue and consequent loss to the Municipality. Similarly in the case of Bill Collectors, a grade Pay should be adopted as in the case of other metres in this st. It is therefore suggested that the Pay of these Posts may be fixed as follows

Octroi Manegar Rs 20-1-30 p m

Bare Collector Rs 25-1-35)

Similarly in the case of Drivers & fitters a graded scale of pay may be adopted The above proposals are intended to introduce uniformity & also to avoid discontentment in the ranks of Officials

Hunsur is a malarial area and it is difficult to get labour It is very necessary that in the case of sweepers and scavengers, the scales of pay adopted in other Taluk Head quarter stations as fixed by the General orders of Govt should be fixed to avoid the possibility of strikes later on The financial condition of the Municipality is sound and it can afford to bear the additional expenditure involved by the adoption of the scales as suggested above

I am therefore to request You to submit revised proposals, after making the necessary corrections, in the proposed statement to the orders of Govt very early for the purpose

In the case of the Octroi Manegar and the Bill Collectors, the pay fixed is Rs.20 and 25 respectively It is necessary that, in the case of Octroi Department, the pay should be adequate to keep the officials concerned above temptation, as otherwise it would lead to leakage of octroi revenue and consequent loss to the Municipality Similarly in the case of Bill Collectors, a grade pay should be adopted as in the case of other Municipalities in this district. It is therefore suggested that the pay of these posts may be fixed as follows.-

Letter No D3C 2086/47-48 dy 30-1-48 from the Dy Commr, Mysore Dt, furnishing the information.

7) From the letter addressed by the Pdt of the "W" Hunsur Town mcl cl to the Dy Commr, Mysore Dt, "X" it is seen that the revision of the scale of Pay of the sweepers is proposed to be given effect to from 1-12-47 instead of from 1-1-47 and to treat the advance Pay (Rs 197) as bonus.

8) The Dy Commr has not stated as to what would be the amount if the effect is given to the revision from 1-1-47 so as to have an idea of the financial implications in this behalf and with reference to para 4 supra

9) It is however stated in the letter from the Municipal President that giving effect to the revised scales from 1-1-47 instead of from 1-12-47 would involve more expenditure than the granting of the second months advance as bonus

Rs. 7 x 48

10) Interim terms of one months pay for the sweepers has been already paid in Hunsur Town

11) An advance of one months pay was also paid to them as in the case of Govt employees This amounts to Rs 187/- The Hindu Times had recommended that this advance of pay might be treated as a loan paid to the menials It is stated that the revision of scale of pay to the menials would be given effect to from 1-12-47 instead of from 1-1-48 on the plea that this arrangement would cost less to the Govt

12) The point for consideration is whether this would be either the correct or the proper course for the Govt to be agreed to by the Govt The reply to this would be a definite "No"

13) For the time being while the other subordinate Govt servants have the M.R. class of Mustaddar Full Mustaddar, Head of Inspectors should be paid enhanced rates of pay as per revision from 1-1-48, it would not be quite correct to deny the same consideration to the Jamadar merely

based on the ground that the cost would be less neither would the Sweepers agree to it as they would stand to lose by such an arrangement

It would therefore seem advisable to grant increased rate of pay to them also with effect from the date from which persons employed by the Municipality to other employees of the City to treat this advance as a recurring one in every instalments if not in lump sum otherwise it would create a very undesirable precedent & cannot be accepted if similar proposals emanate from other Municipalities

Yours obediently
T/Mgr

14) So far as revision of Scales of pay is concerned it should have effect from one the same date in respect of all the employees of the Municipality including the Sweepers etc This date should be 1 1 47
The will be pointed out to the D C & he will be requested to have suitable revised proposals of the Municipality sent in conformity with the Govt orders issued.

15) The revision of pay of Sweepers must be given effect to from 1-1-47 as suggested above both in regard to the one months advance given to them, the Municipality may be consulted as to whether they are prepared to treat it as a loan recoverable by easy instalments
